

The origin

At Juvé & Camps our passion for viticulture since 1796 has led us to explore unusual territories.

More than 30 years ago, we decided to grow the *Pinot noir*, one of the world's greatest grape varieties, captivated by its seductive power and sensual elegance.

This display of daring was a master stroke that is currently reflected in sparkling wines such as the Rosé, an essence of *Pinot noir* that dances all on its own, delicate and ethereal, fruity and flavoursome.

Juvé & Camps Essential Pinot Noir

Essential Pinot Noir pays tribute to the crisp red fruit and tasty and seductive nature of the Pinot noir grapes that we've grown in our vineyards for over 30 years. It is a homage to irreverence, an act of unexpected daring packed with flavour.

The wine

We select the freshest and most ebullient *Pinot noir* grapes from our estate in Espiells and selected vineyards run by trusted winegrowers and subject them to a light maceration process to obtain a beautiful rosé colour and capture their primary aromas. Aged for only twelve months, Essential Pinot Noir, our youngest sparkling wine, is a genuine expression of the crisp and seductive fruit.
