Magnificent, majestic and exuberant age-worthy wine

RED WINE RESERVA DO Penedès

This majestic, flavourful typical Bordeaux red blend is grown on our Mediona estate, on vineyards planted 700 metres above sea level. A wonderful, age-worthy red that promises to mature beautifully for at least a decade. Aged in first- and second-use very fine-grained French oak barrels, the wine is then matured in foudres, followed by spending an average of two years of bottle ageing prior to its release.

Made from Merlot and Cabernet Sauvignon varieties, it is a red with high colour intensity and a beautiful deep, dark ruby hue. A wonderful blend of volume and elegance, which, despite its concentration, is balanced and long. This harmonious yet opulent red stands out for its elegant ageing in the finest French oak, a wood which integrates with it very well. Its black fruit character, however, is what really makes it shine. With rounded and sweet tannins, it has spicy notes (cloves) and boasts good levels of acidity. A majestic, exuberant red for laying down.

VARIETIES

Merlot and Cabernet Sauvignon

TYPE OF SOIL

Limestone and clay loam

ROOTSTOCK

110 Richter

VINE TRAINING SYSTEM

Cordón Royat

PLANTING DENSITY

3,500 feet per Ha.

MANUAL HARVEST
