

ERMITA D'ESPIELLS

Fragrant, luscious and Mediterranean

A decidedly Mediterranean rosé made from Pinot Noir harvested at optimal ripeness in the vineyards of Espiells.

The brilliant pink colour with shades of violet gives way to subtle red fruit aromas (strawberry, cherry) and floral nuances (gardenia, violet), followed by a luscious, refreshing midpalate with balanced acidity. This fragrant 100% Pinot Noir is round, elegant, very Mediterranean, and stands out for its juicy cherry fruit notes and excellent balance.

Ermita d'Espiells Rosé pairs perfectly with rich dishes, pasta, pizza, mild cheeses, white meat, fish, and Japanese cuisine.
