

# AURORA

## D'ESPIELLS ROSÉ

**A lovely, subtle, fruity, floral, light and modern wine.**

The wine's exquisite, elegant, pale pink colour recalls the break of dawn, when the sun's rays are about to reach across the horizon. In that fleeting moment, one can glimpse the characteristic hue of Aurora d'Espiells, which has its origins in the vineyards of Espiells and Mediona.

Made from Pinot Noir and Xarel·lo, Aurora d'Espiells Rosé has a lovely, very pale pink hue with subtle orange nuances. The subtle, complex, and evocative aroma suggests notes of red and black fruit (redcurrant and raspberry) with floral undertones. The palate is silky, opulent, and wonderfully fruity, with lively acidity lending it great intensity and freshness.

The wine has a delightful nose and good persistence on the palate, leaving a lovely lingering fruit impression. A clear and brilliant wine that is fresh, elegant, light, and modern.

Aurora d'Espiells Rosé is a lovely match for rice dishes, pasta, pizza, white meat, and Asian cuisine.
