## El Rosado 2025

### Vibrant and Seductive

DO Ribera del Duero Rosé Wine  
Organic Viticulture

Pagos de Anguix Rosé is a wine of captivating intensity. Made exclusively from Tempranillo, it offers a modern and precise interpretation of Ribera del Duero rosé, where varietal purity translates into freshness, fruit expression, and elegance.

Its attractive pale pink colour, bright and with good density, anticipates its enveloping character. On the nose, it reveals a broad aromatic expression with notes of wild berries, red cherry, and tart strawberry, accompanied by delicate floral nuances of rose petals and stone fruit. On the palate, it combines crisp freshness with a smooth, juicy texture. The palate is soft and well balanced, with well-integrated acidity that brings vibrancy and length. The finish is long and expressive, with a fruity aftertaste that prolongs the pleasure of tasting.
